

LIFELINE

PREGNANCY CENTER

We Expect the Unexpected. We're Here for You.

July 2024

Dear Faithful Friends,

KNOW WHAT?

Did you know that LifeLine hosts an annual event each fall to spread awareness and perhaps connect with new ministry partners? Many of you likely became acquainted with LifeLine while attending one of our banquets in the past. These events have traditionally been a time of food and fellowship, rallying around the cause for LIFE in our community, and drawing support for the ministry of LifeLine Pregnancy Center.

In 2023, LifeLine successfully revamped its traditional banquet format to reach new members of the community who have not yet discovered the ministry. Our 2024 Annual Vision Dinner plans are underway to share, not only current ministry updates, but our vision for 2025 and beyond, on Saturday, September 28, 2024.

As I'm sure you are aware, in this post-Dobb's decision era, the abortion industry has stepped up their efforts to reach women across our country with abortion pills using a variety of tactics, even in states where they are not legal. In response, LifeLine is also changing our strategy to reach women in the critical hours after they discover their pregnancies, in order to share compassion, hope and help with them right when they need it most. We can't wait to share more about these efforts at our upcoming Annual Vision Dinner.

NOW WHAT?

Our goal is to reach as many new Champions for LIFE in our community as possible who may share our desire to see women, men and babies spared the pain and trauma of an abortion. We are currently seeking Table Hosts for the event who can reach out to those who have never heard of LifeLine or who know little about what we do and inviting them to the event. Because our focus is on new partners in this fight, and due to space limitations, this may mean that not all who would like to attend will be able to this year.

We do know, however, that often Table Hosts may have trouble filling their tables, and that sometimes guests are not able to attend at the last minute. To that end, we will be offering "unassigned seating" of individuals that would like to attend, so that we can place you where we have seats available. If you would like to host or attend, please go to our website (use the QR Code to the right), and register under Events.

Will you pray with us that we can reach new warriors here on the Central Coast who will lock shields with those already fighting this battle by sharing our Vision this September? Thank you for your faithful support as we fight together to save souls and babies from the holocaust of abortion. You are critical to this effort and we are honored to labor with you.
