

Want To Get Involved? Check out our Volunteer Opportunities!

Do you have a heart to serve members of our community facing unplanned pregnancies? If so, we can use your help! LifeLine is always seeking dedicated volunteers. In fact, we can't accomplish this life-saving work without the generous donation of TIME volunteering from friends like you.

Client Advocate

Client Advocates work directly with women and teens that come to LifeLine for pregnancy tests, ultrasounds, or individual pregnancy & parenting classes. No experience? No problem – we provide all of the necessary training, as well as ongoing training to keep your skills sharp.

Time Commitment: 4 hours per week plus monthly in-service training (1.5 hours)

Dad Coach/Men's Team Member

Dad Coaches can have two roles – one meeting with prospective fathers when they accompany their partners to LifeLine for pregnancy tests or ultrasounds (this is an on-call position). The second is helping with our monthly “Dad Nights,” which are held one Thursday night per month, taking expectant/new dads through our “Dr. Dad” program. No experience? No problem – we provide all the necessary training.

Time Commitment: 2 hours per appointment (on call/as available), 2 hours per “Dad Night,” monthly in-service training (1.5 hours) and occasional Men's Team meetings (1.5 hours a few times per year).

Boutique Assistant

Our Boutique Assistants keep our Baby Boutique stocked and sparkling! If you like to sort baby clothes, organize, tidy, and visit with clients as they shop, this is the job for you.

Time Commitment: 2-4 hours per week plus monthly in-service training (1.5 hours)

Cleaning Team Member

Our Cleaning Team keeps our center beautifully clean for our clients and volunteers. If you like to clean and want to provide a much needed service to the pregnancy center, we would love to have you on our team!

Time Commitment: 1-2 hours per week or as available.

Prayer Team Member

We can do nothing without our prayer covering! Do you like to gather with others to pray for the needs of the pregnancy center, including clients, volunteers, staff and board members? If so, please consider joining our Prayer Team.

Time Commitment: 1 hour per week

Special Event Team Member

Want to help but can't come into the pregnancy center? We have three special events each year and need a variety of volunteers to help them run smoothly. If you would like to support LifeLine but have limited time available, this is an awesome way to serve.

Time Commitment: Varies by event and volunteer availability

Board of Directors Committee Members

Are you a “big picture” person who likes to plan and oversee ministry activities? Our Board of Directors have multiple committee positions open for volunteers who want to be involved in overall ministry oversight. This role involves attending committee meetings and does not work directly with clients.

Time Commitment: 1-2 hours per month
