PREGNANCY CENTER

*We Expect the Unexpected. We're Here for You!*

**January 2026**

Dear Faithful Friends,

## KNOW WHAT?

When people think of LifeLine, they often picture pregnancy tests, ultrasounds, and baby items provided to clients in need. They may also think of women and men facing the difficult decisions that come with an unplanned pregnancy. What often surprises people, however, is what happens *after* a client chooses life.

Walking alongside clients after they make a life-affirming decision is a critical part of LifeLine's mission. Many of the brave women and men who choose not to pursue abortion do so while facing significant challenges—the very reasons abortion felt like an option in the first place. These needs can be financial, emotional, physical, or practical. At LifeLine, we are committed to helping clients find solutions to their real and pressing needs whenever possible.

## NOW WHAT?

Every gift you give to LifeLine helps clients choose life for their babies—and supports them as they navigate pregnancy, birth, and the journey of caring for a newborn, infant, toddler, and beyond. Your generosity provides compassionate coaching during the decision-making process, access to medical information and resources, and the technology that helps clients see the value of the life being created. Additionally, your gifts enable LifeLine to offer a wide range of community referrals that help clients navigate the challenges ahead with confidence and support.

Above all, your generosity allows clients to hear the life-changing truth of how deeply God loves them—and how Jesus came to save them. This is the greatest gift we can offer: the hope of eternal life with Him. Your partnership makes many things possible, but the gift of a life transformed by knowing Jesus is truly priceless.

*“He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.” (Ephesians 4:16 NLT)*
