*We Expect the Unexpected. We're Here for You.*

**October 2025**

Dear Faithful Friends,

## KNOW WHAT?

You may already know that LifeLine has been operating its fatherhood program, "**Dr. Dad**," since early in 2024, but did you know that dads who graduate from the program now have an opportunity to continue growing their fatherhood skills? Well, they do, through our new "**Healthy Dad**" curriculum. This 6-session program allows graduates of "Dr. Dad" to continue to grow their "health" in the areas of their habits, their relationships, their work lives, and their financial lives. Becoming a father impacts all aspects of a man's life, and through group coaching as well as an online course, our male clients can continue on their fatherhood journey with the support and encouragement they need.

## NOW WHAT?

Offering our Dr. Dad graduates the new Healthy Dad curriculum allows our male clients to earn "Dad Bucks" to spend in our Boutique for each class they attend, as well as **diapers and baby wipes**. In addition, each dad that completes the 6-session program online also qualifies to earn a **\$100 gift card** to Wal Mart to help them purchase items their child needs. Our monthly "Dad Nights" also provide a forum for these new fathers to ask questions and to enjoy comradery with other men going through the same challenges.

Because of **friends like you**, we are able provide both fatherhood programs for our male clients! Your support provides dinner for our Monthly Dad Nights, enrollment in both online courses, along with diapers, baby wipes, and much more for the dads who participate. We all know that strong fathers build strong families - join us as we continue to encourage new fathers as they endeavor to be the best dads that they can be.

*<sup>24</sup>And let us consider how to stir up one another to love and good works, <sup>25</sup>not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. Hebrews 10:24-25*
