## PREGNANCY CENTER

*We Expect the Unexpected. We're Here for You!*

**June 2026**

Dear Faithful Friends,

### KNOW WHAT?

Did you know that LifeLine offers clients access to a beautiful Boutique while visiting our center? If you haven't had a chance to visit us for a tour, you have yet to experience the part of our tour we call the "show stopper." Visitors to LifeLine often gasp or smile or say something like "Oh my!" when they see the Boutique for the first time. Our team of volunteers lovingly stocks and organizes baby clothing, baby items, blankets, diapers, baby wipes, maternity clothes and much more so that our clients can select items they need for their babies when they have chosen life. Clients receive "Baby Bucks" for having a pregnancy test or ultrasound at LifeLine, or by taking our "BrightCourse" classes (pregnancy, parenting and life skills classes) either in our center or at home online. They are then able to use their "Baby Bucks" to select items for their child from the Boutique. There is never a cost to clients for these items, and all items are donated by generous donors just like you. For many new parents, taking classes and using their "Baby Bucks" to acquire diapers, baby wipes and clothing each week is a massive blessing that helps them provide for their babies as they navigate difficult life circumstances.

### NOW WHAT?

Walking alongside clients facing unplanned pregnancies does not end when the baby arrives. At LifeLine, we walk with clients for the first two years of their babies' lives, offering classes, support, referrals for resources outside of LifeLine, and material items they need as their babies grow. To do this, we need the help of local donors, churches and friends who can help us keep our Boutique stocked. Items we need often include diapers (especially in larger sizes like 4, 5 or 6), packages of baby wipes, new or gently used baby clothing from size Premie or Newborn to 3T for boys and girls, baby wash, baby lotion, baby shampoo, diaper cream, new car seats and new pack n' plays. These items are a tangible way to show the love of Jesus to clients who have chosen life for their babies, providing compassion, hope and help as they begin their parenting journey.
