We Expect the Unexpected. We're Here for You!

KNOW WHAT?

July 2026

Dear Faithful Friends,

Did you know that LifeLine is supported by 22 local churches across the Central Coast? In 1988, Calvary Chapel Arroyo Grande founded LifeLine Pregnancy Center to provide women facing unplanned pregnancies information about their pregnancy options in the hopes that more women would choose life for their babies. Very quickly, the church realized that the pregnancy center needed more than one church to support the work being done there, and invited other churches to join them in supporting it. Fast forward 38 years, and we now have 22 local churches on our supporting church team providing monthly funding, supporting our Baby Bottle campaign, or providing material items. Our volunteer team is comprised of various members of our local church supporters and many of them became volunteers because their church shared about LifeLine during a Sunday service. Without our network of local churches, we could not do what we do.

NOW WHAT?

We would love your help connecting with your own church family. LifeLine is always in need of liaisons to our local churches to help us connect with the right leaders and spread awareness of the ministry. If you attend a Men's or Women's Bible Study or small group, announcing that LifeLine is seeking new Client Advocates and Fatherhood Coaches would help us reach new volunteers who haven't yet heard about us. Or perhaps you might be willing to talk with your pastor about ways your church can support LifeLine through our various fundraisers or through collecting material items for our Baby Boutique. Let us know if you would like more information or materials to share with your church leaders or members to help us spread the word. Together we can reach more members of the Body of Christ right here on the Central Coast!
